

E-Learning Programs

Visit us online for a "live" test drive!

PROGRAM EXAMPLES

• SAFETY ORIENTATIONS

A great way to provide workers, contractors and visitors to workplace safety information.

• SAFE WORK PROCEDURES

Instruct and train your employees on a variety of proper safe work procedures topics.

• CERTIFICATION COURSES

Training and certification through E-learning is both effective and convenient for everyone.

• GENERAL KNOWLEDGE

Adaptable for just about anything you can think of to get the message across.

Best of all its accessible anywhere there's an internet connection!

INTERACTIVE AND FUN E-LEARNING PROGRAMS

Stand out in the crowd! and make your company safety management system even more incredible by turning to e-learning.

Cutting edge custom made solutions like Safety Orientations, Training Modules, or even presentations made available online to help compliment your website. ... the possibilities are literally endless!

All kinds of options are available like...

- voice over for instruction or narration
- custom designed quizzes and surveys
- user interaction like problem solving puzzles, games ... and much more.

Give us a call! ...and be one of the first to take it to the next level.
